Baggage Information

Luggage space on our bus is limited.

Each guest is allowed one bag (the equivalent of an airline roll-aboard, 35 pounds max; soft luggage only—no hard-sided suitcases) and one carry-on. If you are planning to fly in either or both directions, the air service has a 25 pound max.

Baggage storage is available near the Visitors Center and storage fees vary from \$5.00 to \$15.00 per bag. You will need to store excess baggage PRIOR to meeting and boarding our bus at 1:00 pm.

Note: Coolers, bags, or boxes containing alcohol are NOT PERMITTED to be carried on the bus.

Covid-19 Policies

On May 14, 2021 the CDC announced the following:

Fully vaccinated people can resume activities without wearing a mask or physical distancing, except where required by federal, state, local, tribal, or territorial laws, rules, and regulations, including local business and workplace guidance. You will still be required to wear a mask on planes, buses, trains and other forms of public transportation.

While we are limiting the occupancy on our buses as much as is practical, there will NOT be six (6) feet of separation and it is an enclosed space. Also, we understand that not everyone riding our buses will be fully vaccinated – although we support the science and strongly recommend vaccination for Covid-19. Therefore, we will require that ALL passengers wear a properly fitting face mask at all times when riding our buses and inside our facilities.
